

MEADOWLAND Classique 10 x 1L

Article Code	20060729
Container	Slimline Pack
Packaging	10 x 1l

Properties

Unit Barcode: 6001081001508
Case Barcode: 16001081001062

Religious status

- Halaal
- Kosher

Preparation

Whipping Tips

Ensure all whipping equipment is clean and free from substances such as detergents, old batters, oils and water. When whipping ensure the whisk has a full complement of wires to ensure maximum air incorporation. Best volumes are achieved using counter top mixers, not hand-held beaters. Do not freeze product before whipping.

Ingredients

Hydrogenated vegetable fat, buttermilk powder, emulsifiers, (soya lecithin), stabilisers, colourant.

Productiveness

1L whips to 2.7 litres of whipped product

MEADOWLAND Classique 10 x 1L

Benefits

MEADOWLAND Classique contains negligible cholesterol, it is difficult to overwhip, gives excellent piping definition. It is acid and heat stable and will not split or curdle when exposed to these elements.

Storage

Store refrigerated at all times (4 - 7°C).
Do not freeze.

Shelflife

8 months.
