# WHO WE ARE

At Unilever Food Solutions, our purpose is driven by supporting your success, inspiring your goals and ensuring that your kitchen has a future-fit industry to operate in.

## R&D Expertise.

Our experienced specialists in research and development ensure that we deliver the highest standards in product and packaging development.

## Quality expertise.

Our specialised team implements quality control that ensures that all factors involved in production are of a consistently high quality.

## Supply chain and procurement expertise.

With sustainability as a key objective, we work with ethical partners and ingredients that are sustainably sourced and traceable back along their supply chain. We also have a world class manufacturing facility that ensures reliability and flexibility to meet our customers' demands.

## Support.

**People to People support, through the capability, care and expertise of our UFS teams.**

Built by Chefs for Chefs, we assist you in the planning, operation and success of your central kitchen with high standard solutions and the expertise of our teams.

## Inspire.

**Trends into action through our innovative products and recipes.**

With the latest trends in innovative products and specialised Chef training, our industry professionals on the UFS Academy App inspire you to master your skills and reach your goals in the kitchen.

## Progress.

**Sustainability Initiatives to ensure foodservice businesses are future fit.**

Dedicated to Sustainability Initiatives, our business team helps you manage your finances while our global movement #FairKitchens aims to create a better culinary industry for you and your central kitchen.

Operating from a central kitchen is an effective way to manage your business plan and materials, save on costs, access your supplies easily and ensure consistency in food taste and quality, while creating a good image for your brand.

# UNDERSTANDING YOUR NEEDS

We have developed a portfolio made specifically with central kitchens in mind to help you to maximise your profits while maintaining quality and consistency.
