THE VEG APPEAL

Delivering plant-based products for your menu.

With the vegan and vegetarian lifestyles becoming **increasingly popular**, more and more people are going vegan and loving it. Now more than ever, catering to all your diners' dietary and lifestyle needs is an **essential** for every establishment. With more health and eco-conscious consumers, offering **tasty vegan options** is crucial when considering your brand image and meeting your diners' expectations.

The UFS Vegan and Vegetarian Product Portfolio offers plant-based solutions that balance **great taste, versatility, nutrition** and a consistently high standard, while being a great option for sustainable cooking. Designed to help you make **informed choices** and food that tastes good while reducing its impact on the environment, our vegan products help you deliver inspired, healthy and tasty dishes that everyone can enjoy.

A perfect addition to your menu.

Our **vegan solutions** help you do more with less; cook a dish in fewer steps, amplify your delivery, provide **reassurance** with hygiene and safety, and offer nutrition and great taste.
